Please have in mind also that we cannot accept as participants people who are doing in the same time of the project EVS or any other European programme/project with support from European Union.

What should you prepare and bring for the project:

1. Presentation of your organisation

The project is a **Contact making seminar** and will create a beneficial background of developing future partnerships among the represented organisations.

The participants should know very well the organisation mission, objectives, domains of interest, past activities and motivations of future activities, with focus on activities of European dimension etc.

We invite you to bring materials of presentation (leaflets, brochures, photos etc), videos, power point presentations or any other support to help to present your organization to the other participants at the session of organisations presentations and at the inter-organisational evening.

2. Traditional things for the intercultural evening:

Each country will have a table of presentation and allocated time to present the culture and specific of country. We invite you to bring:

- presentation of important cultural elements of your country and region (short video, leaflets)
- traditional food, drinks, snacks etc. (please note that you cannot cook here)
- traditional music and dances to teach also the other participants

- flag of your country (standard size)

- anything else you like to present your country and culture

Artistic and original moments of presentation are welcomed as well ☺
